5. EVENWOOD & RAMSHAW HISTORY GROUP:

Mr Brian Carter gave members a brief summary of the groups project Heritage Walk Project. The group obtained a grant from Northern Heartlands to establish a waymarked walk that would highlight places of interest. A draft sketch map was circulated to members.

The walk starts from the Randolph Community Centre towards Ramshaw, the Mill and back up toward Oaks Banks but this has not been confirmed. Little 'way markers' will be placed by

areas of interest to accompany the map and walk. Some of these may be on private land or council land and the group would discuss further permissions. A leaflet or booklet will be produced giving the walk details and more.

Cllr Nicholson asked if the school children will be involved in the design of the project going forward? *Not specifically going into the schools but there are hands on sessions planned where everyone is welcome.*
